Trilliums at Mt. Cuba Center: A Visitor's Guide

by Jeanne Frett

Trilliums have been a prominent feature of the majestic springtime wildflower display at Mt. Cuba Center for more than 30 years. Delight in the story of this wonderful plant species as told by one of the region's foremost trillium experts. This guide describes the history of trilliums at Mt. Cuba Center and provides an in-depth look at the plant including recommendations for purchasing and planting them in your own garden.
